Celebration Roadshow

We continue to mark the 30th birthday of CVM (the Big 30) to look back and celebrate how God has changed the lives of men and look forward to the fight that still lies ahead.

The Big 30 Celebration Roadshows will take place in Brighton, Bristol and York and will be nights out like no other. Following on from the success of our established CVM Roadshow nights and marking 3 decades of winning men to Jesus, these events will be a packed evening of comedy,

fun, inspirational stories and envisioning for the future.

CVM's **Nathan Blackaby** (CEO) and **Carl Beech** (President), will jointly host each evening with comedy from top stand-up performer, **Andy Kind**.

It's perfect occasion for a men's group event or as a night out with 'the other half'. You could even combine the two. Either way, you can enjoy a free drink and some nibbles, then sit back and take in the evening.

Open to men and women.

A fun & inspiring night out!
